

Footnotes for Faculty Credentials:

1. Faculty missing credentials and/or institution are excluded. Nine instructors have been excluded from the fall 2025 list for this reason.
2. Faculty should appear on the list only once, regardless of the number of appointments they have. If faculty have more than one appointment, data are first selected based upon the assignment with the highest full-time equivalency (FTE), followed by the alphabetical department listing when FTEs are equal. For administrative professional and civil service staff who are teaching without a faculty assignment, the course department is selected based first upon the number of courses taught, followed by the alphabetical listing of department when the number of courses taught are equal.
3. Tenure-track and non-tenure-track faculty are included, as are administrative professional and civil service staff who are instructors of record, but who do not have a faculty assignment. When instructors of record do not have a faculty assignment, the department listed reflects the course department.
4. Full-time and part-time appointments are included.
5. Faculty associates are excluded.
6. Data are as of census. The faculty and staff census snapshot is generally created near the end of September for the fall term, and near the end of February for the spring term.
