Major Objectives

1. Collaborate with teacher education programs to **create courses** or **endorsement options** preparing teacher candidates to teach **students with disabilities**.
2. Integrate **special education assistive technology** materials to **DeGarmo 21** and explore high incidence disability supports for diverse learners.
3. Expand the use of the **virtual reality classroom** across COE and throughout campus.
4. Facilitate **mentoring of new faculty teaching and research**.

Major Objectives

5. Continue support of our students of color using the **Intercultural Development Inventory (IDI)** for data analysis, goal setting, and expansion to teacher candidates.
6. **Increase enrollment** in early childhood education, middle level education, and elementary education.
7. Enhance offices and hallway spaces to maintain a **professional environment** for students, parents, and employees.
8. Reduce **completion time** requirement for EAF doctoral programs from eight to seven years.

Major Objectives

9. Increase EAF faculty **scholarly productivity** by 30% over previous year.
10. Increase the number of EAF students who complete their **dissertation research** by 40% over previous year.
11. Establish a **Summer Leadership Academy** designed to identify, coach, and prepare aspiring school leaders.
12. Present the superintendent program redesign with embedded internships for entry into national competition for Exemplary Program with the **University Council for Educational Administration**.
