

University Review Committee

Minutes: April 11, 2025

11:00 a.m. HOV 102

Members present: Chad Buckley, Amanda Cullen, Craig Gatto (ex officio), Jennifer Howell, Abdelmounaam Rezgui, and Sarah Smelser (Absent: Yun-Ching Chung, Susan Sprecher; Vacancies: two)

Guest present: Martha Horst

Meeting called to order by Buckley at 11:02 a.m. We have a quorum.

The first agenda item was to approve the minutes from February 14, 2025. Minutes were approved.

The second agenda item was to discuss the potential impact of the recently reached tentative collective bargaining agreement on URC, Faculty Caucus, and Academic Senate. Discussed adding a union officer to URC membership to increase coordination and communication.

The third agenda item was to hear Buckley's update on Faculty Caucus' discussion of the changes we proposed to add a post-Provost review by FRC. They discussed phrasing (e.g., appeal, review, additional review) and whether or not this should have its own section. However, a similar change is in the tentative collective bargaining agreement, so no further action is required at this time.

The fourth agenda item was to review revisions to Milner CFSC's College Standards. After a brief discussion, Howell motioned to approve, Rezgui seconded, unanimous approval of revisions

New Business: Gatto proposed changing the March 21 Provost decision (for cases when there is no D/S/CFSC appeal) to April 1 and making the ASPT document a living document rather than a printed document. Tabled until we have more guidance on how to submit proposed changes (to Faculty Caucus or to the union).

After all items on the agenda had been discussed, meeting was adjourned at 12:15 p.m.
