

S. Sharon Subreenduth

EDUCATION

- 2003 Ph.D. Curriculum, Instruction, and Professional Development (with Cultural Studies focus), College of Education and Human Ecology
The Ohio State University
- 1992 M.A. Advanced Social Studies and Global/Multicultural Education, College of Education and Human Ecology, The Ohio State University
- 1991 B.Ed. Graduate degree in Education, University of South Africa (UNISA)
- 1986 B.Paed Bachelor of Pedagogics English, Geography, and Education, University of Durban-Westville (now University of KwaZulu-Natal), South Africa

LEADERSHIP

Georgia Southern University (GSU) is a High Research Activity University with nearly 28,000 students on three campuses (suburban/rural; urban, military-connected) and online and tracking to achieve R1 status.

GSU Mission: At Georgia Southern University, our learner-centered culture prepares us to think, lead, teach, and serve. We value collaboration, academic excellence, discovery and innovation, integrity, openness and inclusion, and sustainability. We promote talent and economic development to enhance the quality of life through scholarly pursuits, cultural enrichment, student life, and community engagement across distinctive campuses. Our success is measured by the global impact of our students, faculty, staff, and alumni.

January 2024: **Professor**, College of Education, Georgia Southern University Research Leave

- Co-Investigator, Spencer Research Foundation Grant Project (with higher education institutions in Poland, Wales, Czech Republic)

July 2021-Dec 2023: **Dean**, College of Education (COE), Georgia Southern University

Served as chief academic, financial, and administrative officer across four campuses (Statesboro, Savannah, Hinesville, and online). Led four departments and six centers, with over 120 faculty and staff, and more than 3000 students.

Budget, Enrollment, Marketing, and Student Success

- Successfully managed a complex budget of over \$16 million with multiple revenue streams
- Budgetary Planning and Management for all aspects of the college, including cutting and expanding programs informed by data
- Achieved the highest enrollment since 2018 through strategic enrollment management, recruitment/outreach, and retention planning. An increase of 5-6% at the graduate level and approximately 3% at the undergraduate level
- Oversight and development of curriculum and academic policies of 45+ undergraduate and graduate degree programs, certifications, and endorsements; Successfully led curricula changes for 2 doctoral programs and several teacher certification programs
- Dynamic graduate programming with COE housing fifty percent of the graduate students at GS
- Represented college in university-wide Strategic Enrollment Plan (SEP), Brand Refresh, and Website

Redesign

- Formulated new publicity and social media campaigns to increase college visibility and increase student recruitment/enrollment/retention - resulting in higher student enrollment
- Sample Student recruitment/success programming:
 - developed the Return to Home program for senior internship students to minimize costs
 - established the Call Me Mister® Program aimed at increasing the pool of Black male teachers
 - launched the EAGLE E.D.G.E program (Eagle Educators Engaging in Distinctive and Genuine Experiences)
 - established student professional organizations that are representative of diverse programs and students
 - additional funding support for study abroad for faculty and students
 - supported faculty course revisions for GS Wexford, Ireland campus delivery and hybrid for study abroad/online offerings
 - created flex student spaces to enhance academic and social collaborations
 - secured space for the creation of maker spaces on both campuses
 - 3 paraprofessional pathways to certification

College Climate, Accreditation, Outreach and Partnerships

- Increased accountability and transparency at all levels within the college by clarifying roles and responsibilities
- Developed and formalized COE policies and procedures
- Created a comprehensive organizational chart with streamlined and synergistic collaborations across units
- Established a DEI Committee that worked collaboratively on college benchmarks; provided resources and professional development providing time for faculty/staff engagement
- Successfully navigated three institutionally mandated budget reduction cycles; led collaborative reorganization that resulted in increased efficiencies and new synergies across departments, while still ensuring growth and support of faculty/staff
- Ensured all faculty & staff lines were retained during budget cuts by utilizing alternative revenue streams; recruited more than fifteen quality faculty and staff and retained all tenure lines
- Enhanced faculty retention via mentoring, professional development, and financial support for scholarship/time
- Secured 80 successful major reviews including tenure and/or promotions
- Clarified steps and timeline for ALL major reviews in COE and collaborated with faculty in the development of a policy on how to calculate overall ratings for major reviews
- Supported faculty international research travel, study abroad for faculty and students
- Created KPIs for meeting Strategic goals; conducted review and assessment of KPIs across units
- Supported international student assistantships, Fulbright, and other Fellowships and research opportunities
- Worked with chairs/directors/supervisors to develop individual benchmarks and career development plans, and evaluated performance
- Developed new and strengthened existing school and community partnerships that resulted in program and research initiatives that mutually served our college and partners
- Created new degree pathways to meet stakeholder and workforce needs
- Effectively navigated the evolving landscape of higher education, e.g., new legislation, state and federal mandates
- Oversaw successful accreditation and program review through CAEP and Georgia Professional Standards Commission (GaPSC) with commendations for strong assessment culture and no areas for improvement. Maintained CACREP
- Reinigorated and diversified membership of the College Advisory Board
-

Fundraising and Advancement

- Engaged in University Capital Campaign in collaboration with the Office of Advancement on fundraising and alumni engagement
- garnered 5 endowed and current use scholarships earmarked for specific student support and grants community engagement:
 - Annual Georgia Power funding for scholarships for the Call Me Mister students
 - Scholarships for non-traditional students going into the paraprofessional pathways.
 - Scholarships for women elementary education students to assist with final-year tuition/fees
 - Two scholarships to support undergraduate research
 - Established a College of Education Funding Priorities for the University Capital Campaign and worked with Advancement Office
 - Georgia Power funding for a collaborative faculty program with one of our local PD elementary schools
 - Worked with University Advancement, Director of Development to explore funding opportunities with AT&T (developed a proposal) and local gas station corporations (developed and submitted proposal). Also worked with the Director of Development on Strategic Funding Priorities for the college

Served on key University/Community level committees, councils, and taskforces

- Georgia Southern University Chair of the Culture Analysis and Implications Team for Georgia Southern's Armstrong Task Force in Savannah
- Presidents Regional Education Collaboratives (REC)
- Certification Team Member for The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) Reaffirmation of Accreditation for Georgia Southern; Quality Enhancement Plan (QEP) sub-team
- University System of Georgia, Regents Advisory Committee. Member of Academic Committee: Educator Preparation (EDRAC)
- Dean's Advisory Council; Leadership Council; Deans, Directors, Dept Chair Meetings
- President's Advisory Committee
- President's Diversity Advisory Council
- First District Regional Educational Service Agency (RESA)
- Georgia Southern University Honorary Degrees Committee

2018-21

The University of Massachusetts Lowell is a high research activity institution, an urban campus with 17,300+ undergraduate and graduate students, and is a nationally ranked public research university committed to excellence in teaching, research, and community engagement. We strive to prepare students to succeed in college and to become lifelong learners and informed citizens in a global environment.

Associate Dean, College of Education, University of Massachusetts, Lowell

- Oversaw undergraduate academic affairs, research & graduate studies; grants; mentoring; and faculty and student success
- Developed diversity, equity, and inclusion through the development of policies and programs that foster a diverse, equitable, and inclusive learning environment; recruit and support diverse students, including first-generation students; developing partnerships with local school districts. Collaborated on garnering over \$500, 000 in grants and scholarships to support diversity initiatives and collaborations in developing a systems approach including high schools, school districts, teacher preparation, community organizations, and the Department of Education
- Coached, mentored, and supported faculty in grants scholarship that increased grant submissions and funded grants, especially international-focused grants. Created an inclusive and collaborative approach to on-campus programming, resulting in building organizational, logistical, and research/teaching networks and opportunities

- Expanded international grant submissions and implementation; integrated programming with academic units across campus
- Operationalized the vision and mission of the college through diverse and collaborative efforts
- Improved student experience, academic success, and enrollment: support student success in licensure programs (e.g., MTEL support; peer mentoring; first generation student advocacy)
- Recruitment and retention of diverse aspiring and professional educators
- Program development and support: oversight of undergraduate and graduate programming, redesign, and review; building cross-disciplinary collaborations to enhance efficiency and innovation
- Recruitment and retention of dynamic research-focused faculty
- Aligned programs to accreditation guidelines, develop and implement accreditation program data collection: Massachusetts Department of Elementary & Secondary Education (DESE) Data Collection and Reporting; work with Licensure Officer and new Field Coordinator
- Initiated new academic and student recruitment projects: Developed Aspiring Educator Day for high school students to visit campus/college; co-developed summer launch to engage new admits into our college before their first semester; worked with two large school districts on High School Educational Pathways; scholarship opportunities for diverse students.
- Revised website and marketing materials and increased visibility and student enrollment
- Developed new partnerships and enhanced existing ones with school districts and the State Department of Education on teacher preparation, curriculum, assessment, and accreditation
- Collaborated with the Dean on fiscal oversight, fundraising, and alternative revenue streams
- Collaborated with Dean on the design and organization of a new building dedicated to the College of Education; oversight of building logistics
- Oversaw innovation of academic programs: with faculty colleagues, diversified and added to our academic offerings, including new undergraduate and redesigned master's degree programs, and online courses, to tap into new audiences and generate new revenue streams
- Collaborated across UML on shared academic and outreach programs, enrollment, recruitment events and programming
- Support, encourage, and mentor faculty professional development, research, and grant scholarship
- Worked closely with the Dean to formalize COE policies and procedures
- Served on the following leadership committees:
 - Academic Planning Committee
 - College Workload Policy Bargaining Committee
 - Dean's Advisory Council
 - University Council of Social Justice and Inclusion & Gender and Sex-Based Discrimination Prevention Task Force
 - University Academic Programs and Service Delivery Planning Committee & Classroom Capacity and Scheduling Sub-committee (COVID-19 planning for virtual/hybrid)
 - University River Hawk Scholars Academy (RHSA) Faculty Advocate and College
 - University Associate Deans for Academic Success
 - University Associate Deans for Research

2019-present: **Co-Founder**, Project Illumina– a co-operative <https://projectillumina.com/>

Project Illumina is a research-based collective of academics, coaches, consultants, and change collaborators with over two decades of expertise in building capacity and infrastructure supporting social and eco-justice. As change collaborators, we equip and support clients to become effective navigators and problem solvers for an equitable society.

Highlights of International expertise and experiences (please see grants, and scholarship, below as well)

- Over 30 years of international experience (including research, teaching, programming/grants) across diverse institutions, communities, and over 45 countries including:
 - Long-standing collaborations, grant funding, and programming with Poland, Ukraine, and South Africa
 - Managed the CIVITAS Africa Network partnership with South Africa, Ohio, and Kentucky – this included educators/administrators/government officials from all locations, as well as the judicial system in KY, NGOs, and community organizations.
 - Introduced and worked with SA educators to contextualize/adapt the first civic education curricula in SA
 - Established a grassroots civic and community organization in SA to offer support and training and supported similar in multiple countries
 - Over 20 externally funded educational and professional development exchanges, with hundreds of educators impacting thousands of students and communities worldwide
 - Conducted follow-up programming (workshops, training, keynotes) with international partners including US Consulates to ensure local sustainability
- Executed comprehensive internationalization through my various administrative roles: Graduate Assistant/Assistant Director of African Studies and International Civic Education Program Director at the Mershon Center, The Ohio State University; Co-Director of the International Democratic Education Institute, and director of multiple international grants at Bowling Green State University and University of Massachusetts-Lowell
- Managed risk and ensured regulatory and legal compliance related to international activities by liaising with diverse stakeholders within institutions including the US Department of State, US Department of Education, USAID, and federally approved administering entities such as the International Research and Exchanges Board (IREX), fhi360, philanthropical organizations
- Developed transnational networks and global reputation of campuses through strategic leadership and relationship building resulting in cross-campus opportunities for international research, collaboration, teaching, and educational/professional exchanges
- Intentional use of an inclusive excellence framework:
 - in all programming, administration, and interactions with faculty, staff, students, international participants, and partners (internally and externally)
 - diversity, equity, inclusion, belonging (DEIB) integrated/core to work
 - mindful of power dynamics, and ensuring equity, and transparency in communication, programming, budgeting
 - validating diverse knowledge systems and local expertise in collaboration
 - ensuring a respectful and culturally affirming environment
 - developing mutually reciprocal partnerships/research collaborations
 - implement cross-cultural and inter-cultural competencies in planning, programming, team development
- Managed projects with multiple stakeholders and established global networks with international higher education institutions, ministries of education, and the US Consulates
- Created a more inclusive and collaborative approach to international grant programming to include faculty, staff, students, civic and community organizations, cultural and, and industry leaders locally and globally in ways that will benefit university students, faculty, and alums
- Led and supported global learning, intercultural competence, and internationalizing curriculum development – for example, I facilitated the first international faculty/staff learning community at BGSU, utilized grants programming to engage faculty to integrate authentic course activities by tapping into international participants on campus
- Supported and sponsored international student recruitment, retention, and success through grants and student scholarship funding, supporting Fulbright Scholars, and connecting faculty research
- Developed infrastructure to support international programming, research, and collaboration that continues to thrive
- As **Editor-in-Chief**, *Educational Studies*, The Journal of the American Education Studies Association initiated change management model including collective leadership model, internationalization of the

editorial board, subscription model for more equitable access of global scholars, globalized content and citations; revamped the cover and accessibility and created a more global presence of the journal

2001-21

The Ohio State University (OSU): OSU is a land grant institution with a main campus and 5 regional campuses with approximately 60,000 students on the main campus and a total of over 65, 000 university-wide. Mission: OSU is dedicated to: Creating and discovering knowledge to improve the well-being of our local, state, regional, national, and global communities; Educating students through a comprehensive array of distinguished academic programs; Preparing a diverse student body to be leaders and engaged citizens; Fostering a culture of engagement and service.

Bowling Green State University (BGSU) is a high-research, nationally-ranked, comprehensive university with over 19,600 students. Mission: Bowling Green State University provides holistic and comprehensive educational experiences that enhance the lives of our students, stakeholders, and the many publics we serve. Our graduates are prepared for lifelong personal and career growth and for engaged citizenship and leadership in a global society. Through our excellence in teaching, research, and outreach, BGSU builds a collaborative, diverse, and inclusive community where creative ideas, new knowledge, and entrepreneurial achievements can benefit others in our region, the state of Ohio, the nation, and the world.

Principal Investigator, Director or Co-Director, external funding totaling over 6 million dollars and with various additional percentages of cost share and matching dollars (see also grants section below for more details on the grants).

- Successfully developed international grant proposals and executed projects
- Managed complex budgets, finance, and administration of grants while adhering to institutional and funding agency rules and regulations
- Created and enhanced the global reputation of institutions and expanded alumni base
- Supervise/Monitor a team of over 35 inclusive of 15 -20 faculty/staff/instructors/students
- Grants are interdisciplinary and worked with units across campus and over 10 community organizations, NGO's and 15 schools at local/regional/state level
- International grants and educational exchanges and professional development with primary focus on gender equity, curriculum development, TEFL/EFL, service learning
- Collaborations and networking with educators from over 45 countries
- Provide ongoing professional development to grant participants – in-country and virtually
- Established global networks with higher education institutions, ministries of education, and the US. Consulates
- **Co-Director,** International Democratic Education Institute, Bowling Green State University (BGSU), Bowling Green, Ohio (2011-2018)
 - Increased funded grants and expanded cross-disciplinary engagement across campus and other institutions in the region
 - Increased grant submissions and multi-disciplinary research collaborations
 - Mentored faculty within school and college on grant scholarship
 - Developed partnerships with over 10 local schools and over 35 teachers and connected many with global educators and collaborative projects
 - Utilized international grants to create greater global awareness in local schools
 - Connected international students with community and schools to further enhance more authentic global understanding
 - Worked with the local Global Affairs Council with programming, community outreach, and international exchanges
 - Offered professional development to educators, faculty, staff, students
 - Developed partnerships with NGO's and community organizations locally and internationally

2015-16

University Faculty Facilitator, *International Faculty Learning Community*, BGSU

- Developed objectives/outcomes for the learning community to meet campus-wide
- Recruited faculty, staff, and graduate student participants
- Lead a Faculty Learning Community focused on Internationalizing our Practices and Perspectives; Guided faculty development of curriculum
- Mentored faculty on research and grant opportunities
- Piloted International Cafes (novel initiative, not tried before); students, faculty, and university community; built connections via conversations around experiences of international students, global issues, and trends. Connected to my international grant programming
- Wrote a report, providing recommendations for creating a more conducive university climate (academic, socio-cultural, and logistical) to support international students, including how to offer more authentic interactions between domestic and international students and how to better integrate global perspectives into curriculum design

FUNDED INTERNATIONAL GRANTS

*Served as **Co-Investigator** of the following while in Dean and Associate Dean roles.*

- I have only indicated external funding for each grant listed- the total grant funding was much higher and included various percentages of cost share and matching dollars
- Each TEA and ACCESS program exchange included between 22-25 participants representing 22-25 countries (unless otherwise indicated).

2023: Spencer Foundation Research Grant (co-PI) in collaboration with university faculty from Poland, Wales, Czech Republic. Investigating Educational Policymaking and its Responsiveness to Challenges in the World. A Qualitative Research Study in Four Transitioning Contexts: Georgia (USA), Poland, Czech Republic, and Wales. Total funding: \$49,960

2020: U.S. Department of State, Bureau of Educational and Cultural Affairs (ECA), *Restorative Justice and Developing Teacher Associations for South African Educators*. A two-week residential program with 25 South African educator and administrator participants including from the SA dept of Education, unions, and higher education institutions. Total funding: \$116,000.

2019/2021: The Fulbright Teaching Excellence and Achievement Program (FTEA), sponsored by the Bureau of Educational and Cultural Affairs of the U.S. Department of State and administered by the International Research and Exchanges Board (IREX). Two-year program preparing *transformative teacher leaders for excellence in gender equity, global exchange, and mutual understanding*; provided a six-week professional development program for secondary school teachers, focused on gender equity in education. Total external funding: \$420,000

Summer 2018: U.S. Department of State, Bureau of Educational and Cultural Affairs (ECA), *The English Access Microscholarship Program (Access): Developing Critical Thinking Skills*. A two-week professional development program. Total external Funding: \$105,066

*Served as **Principal Investigator** for the following while in faculty/academic roles*

2017-2018: The Teaching Excellence and Achievement Program (TEA), a six-week professional development program for secondary school teachers sponsored by the Bureau of Educational and Cultural Affairs of the U.S. Department of State and administered by

the International Research and Exchanges Board (IREX). *Focus on gender equity in education*. Total external funding: \$200, 000

Fall 2017: U.S. Department of State, Bureau of Educational and Cultural Affairs (ECA), The English Access Microscholarship Program (Access): *The Service-Learning Strategies for International English as a Foreign Language (EFL) Classrooms Teacher Exchange*. A two-week professional development program Total Funding: \$100,522

Spring 2017: U.S. Department of State, Bureau of Educational and Cultural Affairs (ECA), *Pakistan Access Microscholarship Program*. A two-week professional development program focused on *Teaching English as a Second Language*. Total Funding \$213,292

2016-2017: The Teaching Excellence and Achievement Program (TEA), a six-week professional development program for secondary school teachers sponsored by the Bureau of Educational and Cultural Affairs of the U.S. Department of State and administered by the International Research and Exchanges Board (IREX). *Focus on gender equity in education*. Total external funding: \$197, 8800

Fall 2016: U.S. Department of State, Bureau of Educational and Cultural Affairs (ECA), The English Access Microscholarship Program (Access): *Service-Learning focus*. The Access Service-Learning Workshop prepared 25 Access teachers from various countries worldwide to integrate Service Learning (SL) into their EFL curriculum development and pedagogy. Access is a two-year program that provides disadvantaged students, ages 13- 25, with a foundation of English language instruction through after-school classes and intensive sessions to gain English language skills, learn about U.S. culture and values, engage in community service activities, and develop leadership skills. Teachers of the Access program integrate each component into their EFL classrooms. Total external funding: \$91,892

2015-2016: The Teaching Excellence and Achievement Program (TEA), a six-week professional development program for secondary school teachers sponsored by the Bureau of Educational and Cultural Affairs of the U.S. Department of State and administered by the International Research and Exchanges Board (IREX). *Focus on gender equity in education*. Total external funding: \$190,000

2014-2015: The Teaching Excellence and Achievement Program (TEA), a six-week professional development program for secondary school teachers sponsored by the Bureau of Educational and Cultural Affairs of the U.S. *Focus on gender equity in education*. Total external funding: \$184,000

2013-2014: The Teaching Excellence and Achievement Program (TEA), a six-week professional development program for secondary school teachers sponsored by the Bureau of Educational and Cultural Affairs of the U.S. Department of State. Focus on gender equity in education. Total external funding: \$183,000

2012-2013: IREX—The Teaching Excellence and Achievement Program (TEA), a six-week professional development program for secondary school teachers sponsored by the Bureau of Educational and Cultural Affairs of the U.S. *Focus on gender equity in education* Total external funding: \$184,000

2008-2009: CIVITAS: An International Civic Education Exchange XIII. This project brings several international projects into one larger partnership, including partners located in Morocco, Poland, South Africa, Ukraine, Alabama, Kentucky, and Ohio. This project is funded through a grant from the U.S. Department of Education. Only U.S. higher education institution administering this sub-grant from the Center for Civic Education. Total external funding: \$100,000

2007-2008: CIVITAS Africa. This project is funded through a grant from the U.S. Department of

Education, Center for Civic Education. Only U.S. higher education institution administering this sub-grant from the Center for Civic Education. Total external funding: \$54,000

2006-2007: CIVITAS Africa. This project is funded through a grant from the U.S. Department of Education. Only U.S. higher education institution administering this sub-grant from the Center for Civic Education. Total external funding: \$90,000

2005-2006: CIVITAS Africa. This project is funded through a grant from the U.S. Department of Education. Only U.S. higher education institution administering this sub-grant from the Center for Civic Education. Total external funding: \$200,000

2005-2006: CIVITAS Africa Supplemental. A sub-grant from the Center for Civic Education. Total external funding: \$69,000

Served as Co-Principal Investigator for the following while in faculty/academic roles:

2004-2005: CIVITAS Africa: Ohio/Kentucky/South Africa Partnership. This project is funded through a grant from the U.S. Department of Education. Only U.S. higher education institutions administering this sub-grant from the Center for Civic Education. Total external funding: \$200,000

2003-2005: CIVITAS International. This project is funded through a grant from the U.S. Department of Education, Office of Educational Research and Improvement with the cooperation of the U.S. Department of State. A sub-grant from the Center for Civic Education. Total external funding: \$430,000

2001-2003: Building Civil Society Through Education: An Exchange Program for Young Leaders in Education from South Africa and the United States. This project was funded through a grant from the U.S. Department of State, Education, and Cultural Affairs Bureau. Total external funding: \$131,700

2002 - 2003: CIVITAS: An International Civic Education Exchange Program is funded through a grant from the U.S. Department of Education, Office of Educational Research and Improvement with the cooperation of the U.S. Department of State. I coordinated the Ohio-Kentucky-South Africa partnership within our sub-grant. Total external funding: \$210,000

EMPLOYMENT

- 2024 Professor, College of Education, Georgia Southern University
- 2021-2023 Dean & Professor, College of Education, Georgia Southern University
- 2018-2021 Associate Dean & Professor, College of Education, University of Massachusetts-Lowell
- 2002-2018 Professor (2015); Associate Professor (2009); Assistant Professor (2003), Lecturer (2002-3) School of Teaching and Learning, College of Education and Human Development, Bowling Green State University, Ohio
- Fall 2010: **Visiting Scholar**, Education Policy Studies, University of Stellenbosch, South Africa
- 1999-2002: Program Coordinator/Director of Civic Education International Programs and multiple grants, Mershon Center for International Security Studies
- 1997-1998 Assistant Director, The Ohio State University, Columbus
- 1991-2002 Multiple graduate assistantships, leadership and teaching roles at The Ohio State University, Columbus
- 1995-1996 **Adjunct Lecturer**, Ohio Dominican College

1987-1991 **Teacher**, M. L. Sultan Secondary School, Pietermaritzburg, South Africa

RECENT TRAINING & PROFESSIONAL DEVELOPMENT

2024

Chronicle Festival 2024: The Road Ahead to 2035

New Realities in Higher Education and How Leaders are Facing Them, University Business
Leading Edge: Strategies for Conflict Resolution and Negotiation in Higher Education, Center for
Higher Education Leadership, and Innovative Practice. BayPath University, MA

SERVICE

Book Manuscript Reviews

2018

- Invited by African Sun Media Publishing for book manuscript: Educational Pathways and Practices of South African Students across power-marginalized spaces.

2015

- Invited by UNISA Press (South Africa) to serve as reviewer of the book manuscript: Engaging the Educational Subject: Schooling Subjectivity across Post- Apartheid Urban Spaces
- Invited by Education, Routledge to review book manuscript: Identities, Culture, and Education in Economically Liberalized India

External Grant / Proposal Reviews

2013-current: Assessment of research proposal for the South African National Research Foundation

2002 - 2008: Partners for Community Action (PCA) grant reviews
2003 External reviewer/evaluator for a proposal being considered for funding by the *Baker Fund Awards Committee*, Ohio University

INSTITUTION BGSU

2017-2018 Tenure & Promotion Committee (Chair)

2016 – 2018 Graduate Affairs Committee (Chair)
Personnel Committee

2015 -2016 Search Committee for NTTF Social Studies

2013-2017 Preview Day

2016-2017 STL Secretary Search Committee

2015-2016 STL Tenure and Promotion Review Committee (TPRC), Chair

2017 Peer mentor: Bostic/Rang

2013-15 **Lead**, Standard 4: Diversity, NCATE Steering Committee, BGSU

- Developed conceptual framework for inclusion and diversity in collaboration with faculty/Dean's office, steering committee
- Co-designed and implemented a Program Coordinator Survey to identify evidence/artifacts, analyzed data, identified gaps, and developed a roadmap for working toward NCATE reporting
- designed curriculum scan to identify and map out EDHD courses that addressed standard 4 criteria
- analyzed previous faculty and student climate surveys (administered by the EDHD Research Development Council)
- identified key diverse field experiences in undergraduate and graduate programs and with our online data system to collect this information and design to capture data for reporting
- worked collaboratively with faculty across EDHD in identification, data collection, and analysis
- identified key artifacts and evidence that aligned with the conceptual framework and standard 4 criteria
- worked collaboratively with other Lead faculty on aligning and integrating NCATE standards; crafted draft report for Standard

4 for the Institutional NCATE Report including how previous NCATE recommendations were met.
